TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Litchfield in the county of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Town Hall in said Litchfield on Tuesday, the 8th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
3. To see if the Town will authorize the design and construction of a new Town Municipal Building, consisting of a meeting hall, boiler room, 2 offices, 2 rest rooms, and kitchen, and equipment for each, and to appropriate the sum of not more than \$40,000.00 for this purpose.
4. To see if the Town will authorize the Selectmen to issue bonds or notes for a term of 5 years for the Municipal Building in accordance with R. S. A. chapter 33, and amendments.
5. To see if the Town will vote to combine the offices of Town Clerk, Tax Collector, and Clerical Assistant, and pay the following salary schedule to one so elected;

Town Clerk	\$125 salary plus fees
Tax Collector	\$650 salary plus fees
Clerical Assistant	\$150 salary
6. To see if the Town will vote to officially designate the following Town roads as:
 1. Pine Ave.
 2. Corning Rd.
 3. Hillcrest Ave. (Upper Derry)
 4. Pinecrest Ave. (Lower Derry)
7. To see if the Town will vote to authorize Billings Mobile Home Court to expand from 32 units to 44 units. (Art. requested by Leslie Billings, Owner).

8. To see if the Town will vote to appropriate a sum not to exceed \$11,900.00 for the purchase of a new fire truck, such sum to be raised through the issuance of bonds or notes and to authorize the Selectmen to determine the rate of interest thereon and take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town of Litchfield.

9. To see if the Town will vote to authorize the Selectmen to withdraw from the New Fire Truck Fund the sum of \$2,145.76, to be used in conjunction with Art. 8.

10. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, and to consider each item in the budget in whole or in part.

11. To transact any other business that may legally come before this meeting and read the minutes of said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and Sixty-Six.

ROAD AGENT'S REPORT

1965 has shown progress in the improvement of our roads. As voted at the last Town Meeting, the section of Paige Road at the east end to be rebuilt was put out to bid as a complete job. However, it was found that contractors were not interested if this bid included mixing the pavement. Therefore, it was put out to bid minus the mixing with the understanding that the State would mix the pavement. Robert Roy, Inc. was the lowest of the three bids and received the job. If the voters raise \$6,000 a year for the next two years, Paige Road should finally be completed from Rt. 3A to the Hudson town line.

The town will return to the T.R.A. Program this year. It is expected that it will be used on Cutler Road. This road, which is a convenient short cut from Paige Road to Rt. 102, at the present time is impassable about a month every year during the muddy season. It is estimated that it will take five years to complete rebuilding this road if only T.R.A. money is used. The time could be shortened if the town raised some money to supplement the T.R.A. allotment.

A road that should receive some consideration is the South Derry Road. This is classified by the State as a Class V road. Annual maintenance should be given to a road classified as such. At this time houses that are occupied all year and thus demand an accessible road at all times are located at the east end; it is not inconceivable that more homes will be built and that a road will have to be maintained the entire length all year long. This will mean widening and graveling since at present the road is very narrow and sandy. A minimum has been spent on this road for several years.

A section of each of the Talent Road, Paige Road, and Old Derry Road received a seal coating of asphalt this year. This treatment waterproofs and protects existing pavements. The cost of this treatment is approximately \$650.00 a mile. We should plan to do at least a mile a year. This would come under summer maintenance along with cutting brush, patching, etc.

The section of Page Road built in 1964 was remixed at no cost to the town and satisfactory pavement resulted.

I feel that if we have an annual program of building and rebuilding our roads, we can keep up with the growth of the town without any serious burden to the taxpayers in any one year.

LITCHFIELD POLICE DEPARTMENT REPORT 1965

The census taken by your police department showed a population of one thousand persons and with new homes and more trailers the present total is climbing steadily.

For the second year in a row we have had a fatal accident and although no serious accidents have occurred in 1966, the rate so far has doubled. So many times it has been proved most accidents occur close to home. Let's all use care and common sense. We have added a set of air splints to our equipment. These are extremely valuable where a person has to be moved and transported for treatment.

For the first time in District Court at Nashua, your department prosecuted several cases with State Law Chapter 572. Trespassing on improved land to constitute malicious damage or larceny. This law covers agricultural land and carries a penalty of \$100.00 fine, 6 months in jail or both, with loss of license and registration, if a motor vehicle is used.

Two of our long-time police officers are no longer with the department. Lieutenant Travis Smith asked for a year's leave of absence, and Sgt. John Janosy resigned. They were both loyal and capable officers. As of January, 1966, Harry Hogencamp has been appointed to the department. He resides at the north end of Litchfield and has had experience in this type of work.

It was through the alertness and cooperation of one of our citizens that we were able to recover a gun stolen in Litchfield this past year. Our thanks to all who have assisted us at various times and places.

FIRE DEPARTMENT REPORT

Litchfield citizens have again shown their good judgment and fine knowledge in keeping our fire loss down.

Our town has reached the point of being in need of replacing some of its fire equipment. Due to the rapid growth, our present equipment (which dates back 26 years), cannot be depended on to safely do its job.

Recognition should be again given to home safety, to home inspections of heating systems, wiring, fuses and proper care of combustible materials.

I wish to thank all the members of the department for their excellent co-operation in making 1965 a good year.

No open fires will be allowed without calling for a fire permit. Permits may be obtained by calling Chief Calawa 424-3495 — Assistant Chief Burgess 882-2520..

In case of fire call 882-1101.

For Resuscitator, call Fire Chief 424-3495 — Police Chief 882-2685.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much drier than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P.M.
 - c. If burning a field or brush, have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

MEMORIAL DAY REPORT

The sun shown brightly on the Town of Litchfield on this Memorial Day as the traditional services honoring our War Dead began, led by Chief Willis Jewitt, U.S.N.

The invocation by Rev. Hover, choir selections under the direction of Mrs. Crowell, laying of the wreaths by the veterans, selections by the school children and the changing of the perpetual flags on the graves of the departed served notice once again that many had made the utmost sacrifice and many more on this day were standing guard throughout the world, helping to preserve our choice freedom.

The special guests of honor were the Gold Star family, Mr. and Mrs. Leslie Cota and daughter.

The Cota Family have donated a large flag to the veterans in Litchfield to be flown on the Town's flag pole on Patriotic Days.

The committee extends their appreciation to those who participated and to those who attended.

AUDITOR'S REPORT

January 29, 1966

The town books were kept in an efficient and proper manner. Minor criticisms are necessary, however.

Both the town clerk and tax collector do not make monthly remittances to the treasurer of all monies received during the month. The town clerk does not report money as received. Some of the money collected in March was not reported until December indicating poor bookkeeping practices.

Finally, the Selectmen are classifying brush fires which are occurring on land being cleared for agricultural and building purposes as forest fires. Although the State reimburses the town partially, the burden of the firefighting cost should be assessed against the holder of a fire burning permit.

LIBRARIAN'S REPORT, 1965

The Library is open on Wednesdays 3:30 P.M. to 5:30 P.M.
Saturdays 7:00 P.M. to 9:00 P.M.

The telephone is listed under Merrimack, Aaron Cutler Library,
424-5011.

In the Spring of 1965 the Trustees voted to affiliate with the
Statewide Library Development Program. Because of this action the
Library received a \$125.00 bonus for reference books. Your librarian
selected books, she felt were most needed, and these have been
frequently consulted during the year.

Other books have been ordered through the State Library at a
greater discount than we have ever been allowed.

The State Library will also provide catalog cards. Books may
be purchased from other sources if desired.

The State Library and Bookmobile from the Exeter Extension
continue the services to the Library and School.

The following periodicals have been received: Life, National
Geographic, N. H. Profiles, North Country Libraries, Parents',
Popular Science, Reader's Guide, Senior Scholastic, Time and
World Tennis.

Donations of books and magazines: Belknap College, Mrs.
Cecil Dustin, The G.F.C.'s, Dr. and Mrs. Lewis Goffe, Alice
Dickinson, Ray Danielson, Gerard Desjardins, Mrs. Howard Le-

REPORT OF THE BOARD OF SELECTMEN

The Selectmen submit the following report for the year ending December 31st, 1965.

During this past year the Board has had several meetings with the N. H. Tax Commission, the Board of Selectmen in the Town of Hudson, the Assessors from the cities of Manchester and Nashua, and Police Departments of both cities. In addition to these meetings we have answered inquires from the Towns of Hollis, Milford, and Londonderry. These meetings and inquiries have provided mutually beneficial and informative.

A State Flag was purchased with a matching staff and base. The flags are in the Town Office and will be made available to any group who wishes to use them.

Street signs were procured and placed, and this Board proposes to complete the naming of streets and the erection of signs this coming year.

At the request of the Road Agent we met with the Division 5 Engineer for preliminary site inspection and briefing sessions for the Page Rd. project as well as site inspection for future projects contained in the Road Agent's report.

The tax structure was completed and submitted to the Tax Commission in July as directed by Art. 8 in the Town Warrant.

The Police Department completed a census prior to April 1st which has been valuable to this office. The census is being indexed on card files and the Police Dept. is keeping it up to date.

A Special Town Meeting was petitioned by the Town to amend Art. 7, Sec. 1 & 2 of the present zoning ordinance in July. The change in the amendment was carried.

A one year agreement was drawn and signed with the property owners for the site of the Town Dump.

The unauthorized burning and dumping by out of town residents and the careless dumping by residents has created a situation of discontent for abutters, the board of health and the Forestry Dept. as well as your Selectmen. Positive action will have to be taken to correct this condition.

Litchfield is growing. New homes, a new industry, and an increase in population have created additional demand on the whole community. We welcome this new growth and realize that changes will have to be made in community municipal affairs. The Board at this time recommends to the citizens of Litchfield a Municipal Building. A building in which to conduct Town affairs, We are also recommending that the voters give favorable consideration to the article in the warrant to combine the present offices of Town Clerk, Tax Collector and Clerical Assistant, into one office. This elected office would be required to post and hold regular office hours.

The Board wishes to thank all departments, appointed officers and committees for their cooperation throughout the past year.

Respectfully submitted,

EUGENE N. PELKEY

REPORT OF THE SCHOOL BOARD

To the citizens of Litchfield:

We wish to express our appreciation to the people, the Parent Teachers Association and other groups of our town who have contributed in any way to making this school year successful.

Again there will be a need for an increase in the school budget, due mainly to increased enrollment in both elementary and tuition students. We now are proud to think we have over doubled the amount of students going to high school, to that what we had ten years ago. Also we have now gone over the 200 enrollment mark in our school, a gain of over twenty since the opening of school last September.

The board is pleased with the efforts of their custodian, Mr. Jay Hale who has been very sincere and dependable with his job.

We, the board felt very much concern over the water situation we had at the school and did everything possible to remedy the situation as quickly as possible. Many hours of investigation and many tests were taken in cooperation with our Health Officer and the State Engineers to determine what would be our next step. It was a matter that had to be taken care of thoroughly and slowly so that no more money than was absolutely necessary would be spent on the project.

The land where the new well was located was generously donated to us by Mrs. Grace Paul, a lifelong interested person from Litchfield, now of Newton, Massachusetts.

This we feel has been a successful year, due partly to the maintaining the majority of our teachers. Miss Martha McNaught, an experienced teacher, but new to us has proved herself with our large first grade. Miss Katherine Sullivan, our present second grade teacher, came to us in November when our other teacher, Mrs. Toby, resigned because of poor health. Mrs. Joan Morrison, our new remedial reading teacher has helped many of our children in cooperation with their classroom teachers.

Mr. Treffe Marson, our hot lunch director, retired in December. Mrs. Doris Gagnon has replaced him as director. Over 180 children are being fed daily their hot lunch meal. Mrs. Mary Safford and Mrs. Nadene Larabee are working with Mrs. Gagnon and doing a fine job.

The census report indicates that there will be no relief in student enrollment. We may as well face the fact that more and more families are moving into our community. Thus we will need to seriously think of an addition to our present building or tuition our junior high pupils out to a nearby school. This makes our obligation greater and leaves us no alternatives but with a more concentrated effort, on not only the board members, but the entire townspeople as well.

In closing, we want once more to thank everyone concerned, and sincerely look forward to your helpful understanding in the future.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 20, 1965

The School Board
Litchfield School District
Litchfield, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Litchfield School District for the fiscal year ended June 30, 1965, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

**Comparative Balance Sheets — June 30, 1964 - June 30, 1965:
(Exhibit A)**

Comparative Balance Sheets as of June 30, 1964 and June 30, 1965, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$11,328.62 during the fiscal year ended June 30, 1965.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1965, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$3,007.83, plus a revenue surplus of \$687.29, resulted in a net budget surplus of \$3,695.12.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance (General Fund Account), as of June 30, 1965, is indicated in Exhibit F.

Statement of School Lunch Account: (Exhibit G)

A summary statment of the School Lunch Account is included in Exhibit G.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Litchfield is presented in Exhibit H. As indicated therein, as of June 30, 1965, the School District had received from the Town the total of the 1964-65 School Tax plus a prepayment of \$3,365.40 of the 1965-66 Tax. This prepayment represented a deficiency appropriation for 1964-65 of like amount.

Statement of Bonded Debt: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District, as of June 30, 1965, showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current (Deficit) or Surplus:

The current financial condition of the School District changed from a current deficit (excess of current liabilities over total assets) of \$3,305.40, to a current surplus (excess of total assets over current liabilities) of \$23.22, during the fiscal year ended June 30, 1965, as shown herewith:

	June 30, 1964	June 30, 1965
Total Assets	\$4,184.95	\$23.22
Current Liabilities	7,490.35	0
Current (Deficit) or Surplus	<u>(\$3,305.40)</u>	<u>\$23.22</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Litchfield School District and the office staff for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor

SUPERINTENDENT'S REPORT

January, 1966

Report of the Superintendent of Schools

To the School Board and Citizens of Litchfield:

Last year's report stressed concern over two items that are necessary to promote the educational growth and development of the children of Litchfield. The first concern was in attracting and holding good teachers while the second pointed to the need for additional building facilities. It appears that we are succeeding in building in a degree of stability and continuity in our instructional staff. We have added only two new teachers to our full-time instructional staff:

Miss Martha McNaught, Hudson, graduate of Boston College, replaces Mrs. Beverly B. Gamache in grade one.

Miss Kathleen M. Sullivan, Methuen, Massachusetts, graduate of Perry Normal School, 1965; replaced Mrs. Christine Tobey in grade two. Miss Sullivan did her practice teaching in Belmont, Mass.

Mrs. Joan Morrison, Reeds Ferry, graduate of Lowell State College, 1963, practice taught Andover, Mass., previous teaching reading, part-time, replacing Mrs. Margaret Booska.

However, we have made little progress in terms of increasing our building facilities. Until this is done, we cannot increase existing or add new programs which would benefit all school children. With our projected enrollment for next year exceeding 200 pupils, we cannot even expect to maintain what we have if serious attention is not given to school building expansion. It is our hope that this need will receive priority consideration in the near future.

In conclusion I'd like to take this opportunity to thank the school board, Mr. Saudelli, and the teachers of Litchfield for their cooperation in our work to improve the educational opportunities of all children in Litchfield.

Respectfully submitted,

CLAUDE H. LEAVITT

Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

Mr. Claude H. Leavitt
Superintendent of Schools
Litchfield, N. H.

Dear Mr. Leavitt:

The following paragraphs constitute my report as Assistant Superintendent in the School District of Litchfield, New Hampshire.

Except for a continued program of updating textbooks, the Litchfield instructional program remains substantially unchanged as compared to a year ago. With regard to textbook changes, the new reading program was extended to include grade 3 and the new mathematics program through grade 6. The Litchfield Elementary School continues to operate efficiently and is a credit to Principal Ronald Saudelli and the collective action of the entire school staff.

Need for special educational services continues to be of serious concern. Lack of such services in the areas of music, art, guidance, special education, and physical education will assume more critical proportions in years to come. Services of this nature now being offered and soon to be extended to children in surrounding communities are destined to handicap the children of Litchfield compared to other children in this general geographical area. The reason for this danger is clear. Extension of additional services to the children of Litchfield is seriously hampered by a lack of space and facilities.

The people of Litchfield, however, are to be commended for their continued support of their remedial reading program. Despite the lack of space to properly house this program, every effort should be made to increase the time allotted to this educational endeavor. The teaching of reading will always remain the primary function of the elementary school. It behooves the people of Litchfield to do everything possible to achieve instructional excellence in this area.

The center of the instructional program in the school of the future will be library facilities. Under Title II of the Elementary and Secondary Act of 1965 we will shortly be in a position to add to the library and reference book inventory of the Litchfield School. Continued district support of a modest nature combined with future funds under Title II will enable us to reach the desired goal of 10 library books per pupil in the next few years.

As reported a year ago, Litchfield in the past has been fortunate in benefiting from the presence of low classroom enrollment. This situation has come to an end in many classrooms, particularly in the all-important primary grades. Unquestionably, enrollment in these classrooms will exceed 30 next Fall. This situation should be of serious immediate concern to the people of Litchfield as they consider future building needs. It is worth repeating over and over again that well trained and conscientious teachers placed in charge of reasonably sized groups of children are the primary prerequisites to excellent educational opportunities.

Respectfully submitted,

RAYMOND G. EDWARDS
Assistant Superintendent

PRINCIPAL'S REPORT

As principal of the Litchfield Elementary School for the past two years I am pleased to report that this school system has progressed steadily, always keeping a discerning eye to the future.

Our remedial reading program, currently operating on a one and one-half day basis, is making excellent strides under the capable tutelage of Mrs. Morrison.

Mr. Meltzer, the Litchfield speech therapist, has given freely of his time and along with school officials has initiated a program of public speaking which is being offered to grades seven and eight. The culminating point of this program will be a public speaking contest for these students in the spring.

The caliber of classroom instruction, as in the past, has been excellent. In order to keep the public abreast as to just what areas of study are being carried on within the classroom, weekly reports are published in the local paper. This reporting system has met with excellent response from the public.

Another area in which great strides have been made this year is the school library. Mrs. Margaret Merrow along with the eighth grade students catalogued the hundreds of new books purchased this year, using the Dewey Decimal System. This task, requiring countless hours spent by Mrs. Merrow and her class, has borne fruit. All grades have access to this well organized and efficiently run program of which the people of Litchfield can well be proud.

The citizens of Litchfield in the near future are to be confronted with a problem that was discussed in both the Superintendent's and Assistant Superintendent's reports last year — namely increased enrollment brought about through community growth. Presently we have the largest enrollment in the school's history with grades 1-6 operating at approximately a 30 student to 1 teacher ratio. Within the next few years the citizens of Litchfield will have to expand present facilities in order to maintain the high educational standards made possible by small instructional groups under the guidance of a well trained faculty. Thought must also be given to the expansion of other areas of the curriculum — namely music, art and physical education in order that the students of Litchfield may derive the benefits afforded by these programs.

In conclusion, I would like to thank the Parent Teacher Association for their generous contributions this year, the School Board, the Superintendent and Assistant Superintendent of Schools and Mrs. Bernice A. McQuesten for their co-operation and loyalty.

Respectfully submitted,

RONALD T. SAUDELLI
